Financial Interview Questions

#1 Best-Seller (Amazon/Dreams) * Finalist 3 Book Awards (USA & London)

- How do you connect the various facets of your life - motorcycles, music, public speaking, writing, and finance?
- What life lessons have you transferred from the world of sport into the world of finance?
- What is your investment philosophy?
- When it comes to serving clients, what's your edge? In other words, what do you think sets you apart from others in the finance world?
- What advice would you give professional women in a male-dominated finance industry?
- You have such multi-faceted passions, and you have managed to realize them all. How have you achieved this precarious work-life balance, and accommodated your various passions with your professional life?
- What book are you reading now? Favorite author?
- What's top on your to-do list?
- What has been your biggest inspiration in life?
