"Nadine Lajoie is one of the most powerful speakers I've heard. She has a passionate story that will change your life. If you are ready to go to the next level, Nadine will take you there."

*- Mr. Les Brown,
World's Leading Motivational Speaker
Best Selling Author and Talk Show Host*

"Nadine Lajoie came to my school to talk to my students about the importance of the choices we make in our lives. What I appreciated the most is how she spoke honestly about the good and bad decisions she had made in life and how she turned her life around by following her dreams. Nadine is a great speaker who delivers an inspiring and passionate message. Most motivational speakers only talk about their successes, but Nadine is more transparent and touches the students deep inside with her courageous personality." – Berel Weiner, PIAF Coach & Louis-Joseph Papineau High School Teacher.
